

Bachelor of Arts in Applied Computer Science

This is a GATED PROGRAM

Updated 5/7/2019

General Education Requirements (See DegreeWorks or catalog for prerequisites)

	ENGL 1101		
	ENGL 1102		
	MATH 1113		
	MATH 1112		

Area A: Essential Skills

9 credit hours

	ECON 1000		
	FL 1002		

-IBDC 56v00

Area D: Science, Math & Technology

11 credit hours

	CHEM 1212/L or BIOL 1107/L		
--	----------------------------	--	--

	POLS 1101		
	HIST 2111/2112		
	HIST 1100/1111/1112		
	CRJU/GEOG/PSYC/SOCI/STS 1101, ANTH 1102 or ECON 2100		

Area E: Social Sciences

12 credit hours

Area F Lower Division Major Requirements (18 credit hours)

Students must complete CSE 1321/L and CSE 1322/L with a 'B' or better to be admitted to this major.

Prerequisites

	CSE 1321/L			
	CSE 1322/L			

Interdisciplinary Concentration (15-18 hours)

*Must have C or better in all courses in the concentration.
Please see advisor or coordinator to discuss courses in concentration.*

Data Mining, Applied Statistics, and HPC
High Performance Computing (HPC)
Applied Computing
Computing and Information Systems
