

	College of Computing and Software Engineering
	Information Technology – Graduate
	Information Technology, MSIT

Upon completion of this degree from KSU, students will be able to:

1. Analyze a complex problem and apply principles of computing and other relevant disciplines to elaborate solutions to it.
2. Design, implement, and evaluate a computing-based solution to meet a given set of requirements in the context of the IT discipline.
3. Communicate effectively in a variety of professional contexts.
4. Recognize professional responsibilities and make informed judgments in computing practice based on legal and ethical principles.
5. Function effectively as a member and leader of a team engaged in activities appropriate to the IT discipline.
