(Revised 9/15)

Courses transferred from GMC with a common course name, and number are guaranteed to transfer if those same courses are included in the KSU curriculum.

In addition, a student who transfers from Georgia Military College with an accredited Associate of Arts or Science degree will transfer into KSU with Areas A-E of the Core complete. Students who have not completed core or pre-requisites for an area of study will be required to complete those courses at KSU.
